

How to add a Country

The screenshot shows the PEER application's 'Country' management page. On the left is a sidebar with navigation links: Home, Dashboard, Users, Organization, Country (selected), Languages, Help, Assessment, and Report. The main area displays a table of countries with columns for Country Name, Is APP, Status, and Actions. The table lists Sri Lanka (LK), India (IN), and Nepal (NE), all with 'Active' status. Callout 1 points to a red '+' button in the top right corner. Callout 2 points to the Actions menu for Sri Lanka. Callout 3 points to the 'Delete' option in the Actions menu. Callout 4 points to the 'Rows per page' dropdown, and callout 5 points to the pagination controls showing '1-3 of 3'.

Country Name	Is APP	Status	Actions
Sri Lanka LK	Yes	Active	⋮
India IN	Yes	Active	⋮
Nepal NE	Yes	Active	⋮

This screenshot shows the 'Add Country' modal form overlaid on the country management page. The form contains the following fields: 'Country Name *' (text input), 'Country Code *' (text input), 'Status *' (dropdown menu with 'Active' selected), and 'Is APP Country?' (radio buttons for 'Yes' and 'No', with 'Yes' selected). At the bottom of the modal are 'Cancel' and 'Add' buttons. Callout 6 points to the 'Add' button.
